WHY JOIN

APC?

Our club is the only place in the area for:

- Organized open play sessions every day of the week for players of all abilities—from novice to tournament level
- Clinics taught by certified instructors
- Skill-ratings clinics to help you assess and track your improvement
- Tournaments and ladder leagues for all levels
- Social get-togethers, happy hours, and other events to keep us together off the courts
- Club website, facebook page, and communication apps offering information on where, when, and who to play with
- Volunteer opportunities with the city of Annapolis to work at kids camps to teach our young people this great sport

The Annapolis Pickleball Club was founded in 2013 as a 501(c)(7) non-profit membership association offering pickleball enthusiasts of all ages, backgrounds, and abilities the opportunity to improve their skills, compete, socialize, and have fun.

The club is managed by a dedicated group of members who volunteer to serve on the board, teach the clinics, organize social events, and promote the club's activities—all to give our members the best playing experience possible.
